Venn VF Technology Preview Licence Agreements

We recommend that you print these Licence Agreements for further reference.

The Venn VF Technology Preview contains separate desktop, web, and app fonts which are governed by three separate Licence Agreements. You must agree to all three Licence Agreements before accessing, using, or downloading the Venn VF Technology Preview.

The Venn VF Technology Preview is presented free of charge for commercial and non-commercial use as defined in these Licence Agreements until 1 March 2019.

PART 1: Venn VF Technology Preview End User Licence Agreement

This Venn VF Technology Preview End User Licence Agreement ("Venn VF TPEULA") becomes a binding contract between the Licensee and Dalton Maag Ltd when the Licensee commences a Font Software download. If the Licensee does not wish to be bound by this Venn VF TPEULA, the Licensee cannot access, use or download the Font Software. Please read all of this Venn VF TPEULA before agreeing to be bound by its terms and conditions.

The Venn VF Technology Preview is presented free of charge until 1 March 2019. This Agreement applies only to the Variable Font (VF) edition of the Venn font family. No other font family or editions of Venn are available under this Venn VF TPEULA. **This Venn VF TPEULA expires on 1 March 2019. To continue using Venn VF beyond this date, the licensee must acquire additional licences.**

Variable Fonts are an emerging technology. Pay close attention to the warranty and support information in section 17.

The Licensee hereby agrees to the following:

1   The Licensee is bound by this Venn VF TPEULA and acknowledges that all Use (as defined herein) of the Font Software (as defined herein) supplied by Dalton Maag is governed by this Venn VF TPEULA. This agreement expires on 1 March 2019.

2   "Dalton Maag" shall mean Dalton Maag Ltd, its successors and assignees, its parent and affiliated corporations, its authorized distributors, and any third party which has licensed to Dalton Maag any or all of the components of the Font Software supplied to the Licensee.

3   "Licensee" shall mean the individual, company, corporation, or other organization subject to this Technology Preview End User Licence Agreement due to their access or Use of Dalton Maag Font Software.

4   "Font Software" shall mean the Venn VF software provided by Dalton Maag which, when used on an appropriate Device or Devices, generates typeface and typographic designs and ornaments. Font Software shall include all bitmap representations of typeface and typographic designs and ornaments created by or derived from the Font Software. Font Software includes upgrades, updates, related files, permitted copies, permitted conversions, and related documentation.

5   "Device" shall mean a hardware, software, or firmware component to which an individual is able to give commands (whether by keyboard or otherwise), regardless of the locations of the individual, the Device, or the Font Software.

6   "Use" of the Font Software shall be deemed to occur when an individual is able to give commands (whether by keyboard or otherwise) to a Device on which the Font Software is installed, regardless of the locations of the individual, the Device, or the Font Software.

7   "User" shall mean an individual giving commands (whether by keyboard or otherwise) to a Device on which the Font Software is installed, regardless of the locations of the individual, the Device, or the Font Software. Users do not need to be members of the Licensee's organization or household, and may be members of the public.

8   "Derivative Work" shall mean data based upon or derived from the Font Software, or any portion of the Font

Software, in any form in which such data may be recast, transformed, or adapted, including, but not limited to, data in any format into which Font Software may be converted.

9 "Digital Product" shall mean an electronic document or data file created by Use of the Font Software which is offered for distribution outside of the Licensee's organization or household. By way of illustration and not by way of limitation, an electronic book, electronic magazine, or computer game shall all be considered Digital Products. This Venn VF TPEULA does not permit the use of the Font Software in Digital Products. A document distributed in connection with a commercial transaction in which the consideration is unrelated to such document, for example, a business letter, a ticket for an event, an invoice, or a receipt shall not be considered a Digital Product.

10 The Licensee is hereby granted a non-exclusive, non-assignable, non-transferable licence to Use the Font Software subject to all of the terms and conditions of this Venn VF TPEULA. The Licensee has no rights to the Font Software other than as expressly set forth in this Venn VF TPEULA. The Licensee agrees that Dalton Maag owns all right, title and interest in and to the Font Software, its structure, organization, code, and related files, including all property rights therein such as copyright, design and trademark rights. The Licensee agrees that the Font Software, its structure, organization, code, and related files are valuable property of Dalton Maag and that any intentional Use of the Font Software not expressly permitted by this Venn VF TPEULA constitutes infringement of copyright. All rights not expressly granted in this Venn VF TPEULA are expressly reserved to Dalton Maag. The Licensee may not use the Font Software to electronically distribute a Digital Product without a separate licence from Dalton Maag authorizing the Licensee to do so.

11 The Licensee may install the Font Software on any number of Devices which are all under the ownership or exclusive control of the Licensee, or of the Licensee's direct employees. The Licensee must take all reasonable steps to ensure that it retains exclusive custody and control over all copies of the Font Software. The Licensee must not transfer the ownership of Devices on which the Font Software is installed. Upon termination of this Venn VF TPEULA, the Licensee must destroy all copies of the Font Software; upon expiry of this Venn VF TPEULA on 1 March 2019, the Licensee must destroy all copies of the Font Software or acquire additional licences.

12 The Licensee may electronically distribute Font Software embedded in a personal or business document (that is, a document other than a "Digital Product" as defined herein) only when the Font Software embedded in such document is in a static bitmap image or an embedded electronic document, and is distributed in a secure format that permits only the viewing and printing (and not the editing, altering, enhancing, or modifying) of such static graphic image or embedded document. The Licensee may not embed Font Software in an electronic document or data file for any reason other than the Licensee's own personal or business Use.

13 The Licensee may not alter Font Software for the purpose of adding any functionality which such Font Software did not have when delivered to the Licensee by Dalton Maag. If the Font Software contains embedding bits that limit the capabilities of the Font Software, the Licensee may not change or alter the embedding bits. Font Software may not be used to create or distribute any electronic document in which the Font Software, or any part thereof, is embedded in a format that permits editing, alterations, enhancements, or modifications by the recipient of such document. If the Licensee has reason to believe that a recipient of an electronic document possesses the capability to edit, alter, enhance, or modify such electronic document even though the Licensee has distributed it in a format which does not permit such editing, alteration, enhancement, or modification, the Licensee shall not transmit such document to such a person.

14 The Licensee may take one (1) copy of the Font Software used for a particular document, or Font Software embedded in an electronic document, to a commercial printer or service bureau solely for the purpose of printing such document. The commercial printer or service bureau shall not be permitted to Use the Font Software to make changes or amendments to the document. The Licensee shall ensure that the commercial printer or service bureau destroys all copies of the Font Software upon final delivery of the printed document.

15 The Licensee acknowledges that the typeface design and Font Software are protected by the copyright, design, and other intellectual property laws of England and Wales, by the copyright and design laws of other nations, and by international treaties. The Licensee agrees to treat the Font Software as the Licensee would any other copyrighted material, such as a book. The Licensee may not copy the Font Software, except as expressly provided herein. Any copies that the Licensee is expressly permitted to make pursuant to this Venn VF TPEULA must contain the same copyright, trademark, and other proprietary notices that appear on or in the Font Software. The Licensee shall not produce Derivative Works of this Font Software except for document embedding and permitted conversions as expressly set out in this Agreement. The Licensee is permitted to reverse engineer the Font Software in order to produce any compatible software product, provided that such a product is not a Derivative

Work of the Font Software. The Licensee agrees to use trademarks associated with the Font Software according to accepted trademark practice, including identification of the trademark owner's name. Trademarks can only be used to identify printed output produced by the Font Software. The use of any trademark as herein authorized does not give the Licensee any rights of ownership in that trademark and all use of any trademark shall inure to the sole benefit of Dalton Maag. The Licensee may not change any trademark or trade name designation for the Font Software.

16   The Licensee may not rent, lease, sublicense, give, lend, or further distribute the Font Software, or any copy thereof.

17   Dalton Maag makes no warranty, express or implied, that this Font Software is suitable for any specific purpose or compatible with any operating systems or software.

18   Dalton Maag, or its appointed auditor, is entitled to inspect and have access to any premises, and to any Devices, owned or operated by Licensee, at or on which this Font Software is kept or Used, for the purposes of ensuring that the Licensee is complying with the terms of this Licence. The Licensee's business information shall remain strictly confidential by Dalton Maag and their auditor, who shall be granted access to all the necessary documents to verify compliance with this and any other agreement with Dalton Maag. The inspection shall take place within the Licensee's usual business hours and after reasonable written notice. Dalton Maag shall bear the costs of the inspection. However, if, in the course of the inspection, deviations to the detriment of Dalton Maag are discovered, the Licensee shall bear the costs of the audit.

19   This Venn VF TPEULA will be governed by the laws of England and Wales. For the purposes of the Sale of Goods Act 1979, Supply of Goods and Services Act 1982, and the Consumer Contracts (Information, Cancellation and Additional Charges) Regulations 2013, Font Software is classified as computer software.

20   This Venn VF TPEULA shall automatically terminate upon failure by the Licensee (or any authorized person or member of the Licensee's immediate household to whom the Licensee has given permission to Use the Font Software) to comply with its terms. The termination of this Venn VF TPEULA shall not preclude Dalton Maag from suing the Licensee for damages of any breach of this Venn VF TPEULA. This Venn VF TPEULA may only be modified in writing signed by an authorized officer of Dalton Maag.

21   The Licensee has the rights expressly set forth in this Venn VF TPEULA and no other. All rights in and to the Font Software, including unpublished rights, are reserved under the copyright laws of England and Wales and other jurisdictions. All rights reserved.

Version 1.0. For licences issued from 5 February 2018.

PART 2: Venn VF Technology Preview Webfont Licence Agreement

This Venn VF Technology Preview Webfont Licence Agreement ("Venn VF TPWLA") becomes a binding contract between the Licensee and Dalton Maag Ltd when the Licensee commences a Webfont Software download. If the Licensee does not wish to be bound by this Venn VF TPWLA, the Licensee cannot access, use, or download the Webfont Software. Please read all of this Venn VF TPWLA before agreeing to be bound by its terms and conditions.

The Venn VF Technology Preview is presented free of charge until 1 March 2019. This Agreement applies only to the Variable Font (VF) edition of the Venn font family. No other font family or editions of Venn are available under this Venn VF TPWLA. **This Venn VF TPWLA expires on 1 March 2019. To continue using the Venn VF Webfonts beyond this date, the licensee must acquire additional licences.**

Variable Fonts are an emerging technology. Pay close attention to the warranty and support information in section 21.

The Licensee hereby agrees to the following:

1   The Licensee is bound by this Venn VF TPWLA and acknowledges that all use of the Webfont Software (as defined herein) supplied by Dalton Maag is governed by this Venn VF TPWLA.

2 "Dalton Maag" shall mean Dalton Maag Ltd, its successors and assignees, its parent and affiliated corporations, its authorized distributors, and any third party which has licensed to Dalton Maag any or all of the components of the Webfont Software supplied to the Licensee.

3 "Licensee" shall mean the individual, company, corporation, or other organization subject to this Venn VF Technology Preview Webfont Licence Agreement due to their installation or use of Dalton Maag Webfont Software.

4 "Webfont Software" shall mean the software provided by Dalton Maag which, when used on a Website, results in Devices being used to visit that Website generating typeface and typographic designs and ornaments for display to the Website visitor. Webfont Software includes upgrades, updates, related files, permitted copies, permitted conversions, and related documentation.

5 "Device" shall mean a hardware, software, or firmware component to which an individual is able to give commands (whether by keyboard or otherwise), regardless of the locations of the individual, the Device, the Webserver, or the Webfont Software.

6 "Webserver" shall mean a hardware and/or software component which serves Website content to Website visitors.

7 "Website" shall mean a collection of webpages, images, videos or other digital assets which are hosted on one or more Webservers, accessed from a common root Uniform Resource Identifier (URI).

8 "Domain Name" shall mean an internet DNS name, the ownership of which is registered with the appropriate IANA-recognized gTLD or ccTLD registrar to a single entity, including any sub-domain of that DNS name also wholly under that entity's control.

10 "Derivative Work" shall mean data based upon or derived from the Webfont Software, or any portion of the Webfont Software, in any form in which such data may be recast, transformed, or adapted, including, but not limited to, data in any format into which Webfont Software may be converted.

11 The Licensee is hereby granted a non-exclusive, non-assignable, non-transferable licence to use the Webfont Software subject to all of the terms and conditions of this Venn VF TPWLA. The Licensee has no rights to the Webfont Software other than as expressly set forth in this Venn VF TPWLA. The Licensee agrees that Dalton Maag owns all right, title and interest in and to the Webfont Software, its structure, organization, code, and related files, including all property rights therein such as copyright, design and trademark rights. The Licensee agrees that the Webfont Software, its structure, organization, code, and related files are valuable property of Dalton Maag and that any intentional use of the Webfont Software not expressly permitted by this Venn VF TPWLA constitutes infringement of copyright. All rights not expressly granted in this Venn VF TPWLA are expressly reserved to Dalton Maag.

13 The Licensee may install the Webfont Software on any number of Webservers which are all under the exclusive control of the Licensee. The Licensee is responsible for ensuring that the Domain Names of all Websites which use the Webfont Software are owned by and under the exclusive control of the Licensee. The Licensee must take all reasonable steps to ensure that it retains exclusive custody and control over all copies of the Webfont Software. The Licensee must not transfer the ownership of Webservers on which the Webfont Software is installed. Upon termination of this Venn VF TPWLA, the Licensee must destroy all copies of the Webfont Software; upon expiry of this Venn VF TPWLA on 1 March 2019, the Licensee must destroy all copies of the Webfont Software or acquire additional licences.

14 The Licensee may use the Webfont Software only through the CSS @font-face linking mechanism. All other font linking and exploitation technologies are expressly forbidden.

15 The Licensee may not install or link to a Derivative Work of the Webfont Software, or to any version of the Webfont Software not supplied by Dalton Maag. This Venn VF TPWLA does not grant the Licensee the right to install onto a Webserver files provided by Dalton Maag under other Licence Agreements.

16 The Licensee is responsible for ensuring that the Webfont Software can be used only on Websites with Domain Names owned by and under the exclusive control of the Licensee, and cannot be used by any other Website. This includes, but is not limited to, installing adequate technical protection measures that restrict the use of and/ or access to the Webfont Software, for example access control mechanisms for cross-origin resource sharing, and by restricting access to Domain Names owned by and under the exclusive control of the Licensee. PART 3: Venn VF Technology Preview App Distribution Licence Agreement

This Venn VF Technology Preview App Distribution Licence Agreement ("Venn VF TPADLA") becomes a binding contract between the Licensee and Dalton Maag Ltd when the Licensee commences an App Font Software download. If the Licensee does not wish to be bound by this Venn VF TPADLA, the Licensee cannot access, use, or download the App Font Software. Please read all of this Venn VF TPADLA before agreeing to be bound by its terms and conditions.

The Venn VF Technology Preview is presented free of charge until 1 March 2019. This Agreement applies only to the Variable Font (VF) edition of the Venn font family. No other font family or editions of Venn are available under this Venn VF TPADLA. **This Venn VF TPADLA expires on 1 March 2019. To continue the Distribution of Apps in which the Venn VF software is embedded beyond this date, the licensee must acquire additional licences.**

Variable Fonts are an emerging technology. Pay close attention to the warranty and support information in section 25.

The Licensee hereby agrees to the following:

1   The Licensee is bound by this Venn VF TPADLA and acknowledges that all use, embedding and Distribution (as defined herein) of the App Font Software (as defined herein) supplied by Dalton Maag is governed by this Venn VF TPADLA. This agreement expires on 1 March 2019.

2   "Dalton Maag" shall mean Dalton Maag Ltd, its successors and assignees, its parent and affiliated corporations, its authorized distributors, and any third party which has licensed to Dalton Maag any or all of the components of the App Font Software supplied to the Licensee.

3   "Licensee" shall mean the individual, company, corporation, or other organization subject to this Venn VF Technology Preview App Distribution Licence Agreement due to their Distribution of an App in which Dalton Maag App Font Software is embedded.

4   "Distribution" shall mean the provision, supply, promotion, sale, leasing, or lending to individuals outside of your organization or household.

5   "App Font Software" shall mean the Venn VF software provided by Dalton Maag for the purpose of embedding in Apps. App Font Software shall include all bitmap representations of typeface and typographic designs and ornaments created by or derived from the App Font Software. App Font Software includes upgrades, updates, related files, permitted copies, permitted conversions, and related documentation.

6   "Device" shall mean a hardware component to which an individual is able to give commands (whether by keyboard or otherwise), regardless of the locations of the individual, the App, the Device, or the App Font Software.

7   "Software Product" shall mean a product that is software program and is not a Platform or operating system that can run other software programs.

8   "App" shall mean a self-contained Software Product that runs on a Platform.

9   "Platform" shall mean a software program that is an operating system or software framework capable of running other software programs.

10   "End-User" shall mean the individual giving commands (whether by keyboard or otherwise) to a Device on which is installed an App in which the App Font Software is embedded, regardless of the locations of the individual, the App, the Device, or the App Font Software.

11   "Hardware Product" shall mean a product that is hardware and contains a Platform capable of executing Apps.

12   "Derivative Work" shall mean data based upon or derived from the App Font Software, or any portion of the App Font Software, in any form in which such data may be recast, transformed, or adapted, including, but not limited to, data in any format into which App Font Software may be converted.

13   The Licensee is hereby granted a non-exclusive, non-assignable, non-transferable licence to Distribute Apps in which the App Font Software is embedded subject to all of the terms and conditions of this Licence Agreement. The Licensee has no rights to the App Font Software other than as expressly set forth in this Licence Agreement.

The Licensee agrees that Dalton Maag owns all right, title and interest in and to the App Font Software, its structure, organization, code, and related files, including all property rights therein such as copyright, design and trademark rights. The Licensee agrees that the App Font Software, its structure, organization, code, and related files are valuable property of Dalton Maag and that any intentional use of the App Font Software not expressly permitted by this Licence Agreement constitutes infringement of copyright. All rights not expressly granted in this Licence Agreement are expressly reserved to Dalton Maag.

14   Upon termination of this Venn VF TPADLA, the Licensee must cease Distribution of all Apps in which the App Font Software is embedded under this Licence and destroy all copies of the App Font Software still in their possession; upon expiry of this Venn VF TPADLA on 1 March 2019, the Licensee must cease Distribution of all Apps in which the App Font Software is embedded under this Licence, and destroy all copies of the App Font Software still in their possession, or acquire additional licences. Assembled copies of any App in which the App Font Software is already embedded are not included in this requirement.

15   The Licensee may Distribute Apps in which the App Font Software is embedded only where the App Font Software is contained entirely within the App, and is embedded in a secure manner with the End-User unable to access or use the App Font Software outside of the App.

16   The Licensee may Distribute Apps in which the App Font Software is embedded by electronic download, supplied on physical media, or preinstalled on a Hardware Product.

17   The Licensee may not Distribute Apps or Hardware Products in which the App Font Software is embedded where the App Font Software represents a substantial component, the primary value, or main functionality of the App or Hardware Product.

18   The Licensee may not Distribute Apps in which the App Font Software in embedded if the App allows the subsequent embedding of the App Font Software, or a Derivative Work thereof, in output files, such as PDFs or scaleable images. However, the Licensee may Distribute Apps in which the App Font Software is embedded if the App allows the production of output files which contain only bitmap representations of the result of executing the App Font Software, such as labelled photos or static images.

19   The Licensee agrees that it will take no action which will have the direct or indirect consequence of causing the App Font Software to become available under, or subject to, any licence agreement other than this Venn VF TPADLA.

20   The Licensee may not Distribute Apps in which is embedded either a Derivative Work of the App Font Software, or any version of the App Font Software not supplied by Dalton Maag. This Licence Agreement does not grant the Licensee the right to Distribute Apps in which is embedded a file provided by Dalton Maag under other Licence Agreements.

21   The Licensee may not alter the App Font Software for the purpose of adding any functionality which the App Font Software did not have when delivered to the Licensee by Dalton Maag. If the App Font Software contains embedding bits that limit the capabilities of the App Font Software, the Licensee may not change or alter the embedding bits.

22   The Licensee acknowledges that the typeface design and App Font Software are protected by the copyright, design, and other intellectual property laws of England and Wales, by the copyright and design laws of other nations, and by international treaties. The Licensee agrees to treat the App Font Software as the Licensee would any other copyrighted material, such as a book.
